RE: *Vietnam Veterans of America, et al. v. CIA, et al.*, No. CV 09 0037-CW (N.D. Cal.)

Dear Mr. Erspamer:

Please find enclosed a CD containing the following documents.

The Department of Defense ("DoD") documents that were previously withheld based on the deliberative process privilege (listed on Defendants' July 29, 2010 Privilege Log as document Nos. 2, 3, 4, 7, 8 and 9): VVA 025295, 026194, 029761-029774, 033596-035600. As set forth in Defendants' opposition to Plaintiffs' motion to compel production of documents, DoD has decided to no longer assert the deliberative process privilege over those documents.

The Institute of Medicine's *Long-Term Health Effects of Participation in Project SHAD*: VVA 035601-035743.

Please note that the gap in Bates-numbering between VVA-VA 031657 and VVA 033596 reflects a group of additional documents that DoD and Army have identified for production but for which a protective order is needed before the documents can be released, as explained in Defendants' response to Plaintiffs' motion for protective order.

Sincerely,

A handwritten signature in black ink, appearing to read "Caroline Lewis Wolverton".
