7) 13) 2000 03.33.44 [19]	Unkown		All Deployments-INFO. Called Mrs. To verify the spelling of their surname and to obtain the middle name for her husband. Middle name is the Also verified that they are Seventh Day Adventists and that he was at Detrick from 1971 to 1973. She said they were unaware of any Operation Whitecoat reunions.
7/25/2006 08:05:26 AM	Unkown		All Deployments-INFO. Mr. called on behalf of his father wanted to know if his father had been exposed to anything while at Ft. Detrick in Project Whitecoat. was told that his father is not listed among those who were exposed. The son said that his father told him that he worked in a laboratory shop fabricating chairs, fixtures, etc., to be used in the animal tests being conducted.
9/18/2006 09:47:03 AM	Unkown	Sharon, MA	The son said his father told him that he did not All Deployments-CBRNE. Mr. was an Edgewood volunteer. He said he got a letter from the VA and the FHP&R 800 number was in it. He participated in 6 activities at Edgewood two of which involved stimulant or agent. He was provided the name of the stimulant and the agent. He was advised to call the VA for a medical evaluation. Mr. said that while at Edgewood, he and a few others were selected and sent to Ft. Detrick for some texts there is
11/6/2006 10:43:15 AM	Unkown	Sharon, MA	and sent to Ft. Detrick for some tests there in All Deployments-CBRNE. Mr. wanted to know if his previous request was answered. He was told there is nothing in the current CBRNE database to indicate what he did or was subjected to while at Ft. Detrick. He was told that as soon as an answer is provided he will be called with the info.
1/4/2007 11:06:05 AM	Unkown	Sharon, MA	All Deployments-CBRNE. Mr wanted to know if there was any information yet on his exposures while at Ft. Detrick in 1965. was told there is nothing to tell him yet and that the CBRNE staff would be queried as to status. After checking he was told that a request for the records had been sent to Ft. Detrick and exposure/test information should be available in the relatively near future.
2/6/2007 10:33:30 AM	Unkown	Sharon, MA	All Deployments-CBRNE. Mr. Says that he has seven or eight things he attributes to his time in service and the tests at Edgewood and Detrick that he participated in. He says he hasns t called the VA yet for a medical evaluation based on the VA Edgewood letter because he wants to know what he was exposed to at Detrick, too. Was urged to call the VA for the check-up and not wait for Detrick info. He was told that effort is
