Case No. CV 09-0037-CW (EDL)
Army Rep. pursuant to Apr. 4, 2017 Inj.

1 Pursuant to paragraph 4.b of the Court’s April 4, 2017 injunction, ECF No. 597, the
2 Department of the Army provides the following status report:

3 **BACKGROUND**

4 On April 4, 2017, the Court entered an injunction requiring the Army to provide medical
5 care to class members for any injury or disease that was proximately caused by their participation
6 in the Army’s long-since terminated chemical or biological substance testing programs.
7 Injunction Regarding the Provision of Medical Care (“Medical Care Injunction”), ECF No. 597.
8 The Army hereby submits this status report in compliance with the Medical Care Injunction’s
9 requirement to submit a status report every six months for six years following its initial July 3,
10 2017 report, which shall describe “how many applications [for medical care] have been received
11 and considered, including a list of the applications approved, denied and pending.” Medical Care
12 Injunction at ¶ 4.b.

13 **DISCUSSION**

14 **THE ARMY’S EFFORTS TO PROVIDE MEDICAL CARE TO ELIGIBLE CLASS**
15 **MEMBERS**

16 **a. The Benefits Application Panel**

17 As of December 29, 2020, the Benefits Application Panel (BAP) has reviewed all
18 applications within the 120-day timeline outlined in the Court’s injunction. *Id.* at ¶ 3d. Applicants
19 are notified of the BAP’s recommendation for approval or disapproval via letter mailed through
20 the U.S. Postal Office.

21 **b. Applications Processed**

22 As of December 29, 2020, the Army has received 178 applications, 135 of which were
23 deemed complete and reviewed by a BAP. Of the 135 applications deemed complete and
24 reviewed, the BAP recommended approval for medical care for some or all of the conditions
25 listed on the application in 80 cases, and recommended against approval for medical care (all
26 conditions) in the remaining 55 cases.

27 As of December 29, 2020, the remaining 43 applications that were not deemed complete
28 and reviewed by a BAP are either in progress or closed (Army is requesting additional information

1 for incomplete applications (6 applications); or the application was closed due to the veteran
2 declining further participation or the death of the applicant (37 applications)).

3 **c. SECDES Approval**

4 As of December 29, 2020, of the 80 applications recommended for Secretary of the Army
5 Designee (SECDES) approval by the BAP, 80 have received SECDES approval for all or some
6 of the diagnosed conditions. No applications are pending SECDES Program approval.
